AJAY LAKHARA

UI/UX Developer

PROFILE

A detail-oriented UI/UX Developer specializing in React.js, Tailwind CSS, and JavaScript with a strong background in responsive design and consistency across web platforms. A solid collaborator with a firm foundation in UX best practices, accessibility, and performance optimization of the front end. Currently working as a UI/UX Developer, I take part in innovative product design and development activities.

EDUCATION

- **Hasmukh Goswami Engineering College**
Bachelor of Engineering in ECE
Completed in 2025
- **Government Polytechnic**
Diploma – ECE
Completed in 2021
- **ITI Gandhinagar**
ITI – Electronics Mechanical
Completed in 2018

EXPERIENCE

Sep 2025 – Present

UI UX Developer Decent Infoways

Currently working at Decent Infoways as a UI/UX Developer, I contribute to designing modern, responsive web interfaces. I have designed more than 20 website designs using Figma by following the best practices of UI/UX for smoother user experiences. Using Photoshop for visuals and Figma for wireframes and prototypes, I focus on blending creativity with functionality. This role has strengthened my design thinking, collaboration, and attention to detail in every stage of the product design process.

Jan 2025 – Apr 2025

Web Developer Intern InfoElegant Solutions

Built responsive UIs with React.js and Tailwind CSS, boosting user engagement. Developed RESTful APIs using ASP.NET and Node.js to improve backend performance. Created UI mockups in Figma for seamless team collaboration. Optimized SQL Server and MongoDB queries, enhancing data retrieval. Integrated Postman for API testing and Git for version control, ensuring smooth development workflow.

SKILL

- **Frontend Basics:** React.js, JavaScript, HTML, CSS, Tailwind CSS, Bootstrap
- **UI/UX & Design Skills:** Figma (Wireframing & Prototyping), Adobe Photoshop, Adobe Illustrator, User Interface Design, User Experience Design, Design Systems & Style Guides
- **Soft Skills:** Team Collaboration, Time Management, Problem Solving, Quick Learner

PROJECTS

Portfolio Website

React.js | Tailwind CSS | React Motion | Figma

Created a responsive personal portfolio using React.js and Tailwind CSS. Implemented smooth UI transitions with React Motion to enhance interactivity and user engagement. Highlighted strong skills in modern UI/UX design and front-end development. [Portfolio Website](#).

Hospital Management System

React.js | ASP.NET Core | SQL Server

Developed a web-based application using React.js by implementing modern, responsive UI designs for the patient and admin dashboards. Improved user engagement through enhanced navigation flow, clarity in layout, and interactive components integrated according to the best practices of UI/UX.
